SNOWMEN ON MAIN STREET

Snowmen on Main Street is a new COMMUNITY contest that allows YOU to express your snowman making talents without using snow! You may enter as an individual or as a team. Your snowman can be made out of any type of materials, it can be 2-dimensional or 3-dimensional, but it **must be between 3 feet - 7 feet tall, and no wider than 36 inches**. This is a family friendly event, be mindful of who your audience will be. Your creation will be outdoors for over a week, your materials should be weather resistant. Once you create your masterpiece, drop it off to Grand Haven Main Street **ON WEDNESDAY, FEBRUARY 10**. Once we have your registration and snowman, GHMS will attach your snowman to one of the light posts within the Grand Haven Main Street District, Washington Avenue from Harbor to Beacon and 7th Street from Washington to Beacon.

The competition will begin on Saturday, February 13 and run through Saturday, February 20. The community is invited to come to Grand Haven Main Street and vote for their favorite snowman. Winners will be announced Monday, February 22 via Facebook Live.

**Grand Haven Main Street holds the right not to display any snowman that is not considered family friendly*
